Surprise your cat this holiday season with an item she can't resist.

Stacy N. Hackett

CatFisher Rod & Reel

Take your cat fishing for that big catch with the CatFisher Rod and Reel. The true-to-life action of the reel capably casts catnip-scented mouse lures up to 40 feet, letting you reel in your kitty from across the room. The collapsible rod also features a miniature tackle box on the handle, for storing a second mouse lure.
