

Manx

The Manx's personality traits make it a perfect choice for families who have pets or children.

Posted: Tue Jun 24 00:00:00 PDT 2003

The Manx is tailless, an unmistakable trait that makes it immediately recognizable. These purebreds are stocky and rounded in appearance, with short front and long hind legs that give them a rabbit-like appearance. The thick coat can be either short or semi-long and comes in a variety of colors and patterns. The Manx's personality traits make it a perfect choice for families who have other pets or children.
