

Cat College Requirements

Cat College 300 Level is a three-month curriculum of nine courses that will give you the foundation for understanding and caring for your cats.

Each month, from September 1 through November 30, we will offer three new courses. You must pass Cat College Level 200 as a prerequisite to registering in Cat College 300 Level. (To pass the 200 Level, you must take all quizzes and score 60 percent or higher.)

Cat Club members will earn 1,000 points just for enrolling, in addition to 25 points for logging on each day.

To graduate, you are required to complete all of the quizzes with a passing score, which is 60 percent or higher on each quiz.. To receive top honors, you must take all of the quizzes and score 90 percent or higher on each one.

For a course description for the 300 Level, [click here](#). For the 200 Level, [click here](#), and for the 100 Level, [click here](#).

After 300 Level classes end November 30, Cat College graduates will be able to download and personalize a Cat Applied Technology diploma. All top honors graduates will be able to download and personalize a Magna Felis Laude diploma.

The Cat College 300 Level valedictorian will receive 5,000 Club Cat points. To be considered for valedictorian, you must take all classes, complete the final exam and score 100 percent on each quiz and the final. A winner will be selected by random drawing to win a year's worth of IAMs Healthy Naturals cat food from Petco Bottomless Bowl!

CatChannel is proud to bring you this curriculum, which we hope you will find as fascinating as cats themselves.
