

Cat Experts Give Advice on Kitten & Cat Care

Dr. Arnold Plotnick, DVM Warm greetings to my fellow feline enthusiasts. I'm Dr. Arnold Plotnick, one of CatChannel's health experts. I am the owner of Manhattan Cat Specialists, a cats-only veterinary hospital in New York City, and I maintain a blog called Cat Man Do. I'm very excited that I've been given this opportunity to answer your cat questions and share my experiences as a practicing feline veterinarian.

Ask Dr. Plotnick a question about your cat now!
Latest Advice from Dr. Plotnick

Why Is My Cat Sneezing? (New!)

CatChannel veterinary expert Arnold Plotnick, DVM, discusses upper respiratory viruses.

My Cat Has Mammary Hyperplasia

CatChannel veterinary expert Arnold Plotnick, DVM, discusses the condition, and what can be done to alleviate the condition.

My Cat Has Started Walking in Circles

CatChannel veterinary expert Arnold Plotnick, DVM, discusses idiopathic vestibular syndrome and its causes.

Each week, Dr. Plotnick will respond to one email question. When emailing Dr. Plotnick regarding your cat or kitten, consider sending digital photos — this may help him identify the problem.

If you have a sick cat, seek veterinary assistance immediately. Do not wait to see if your question is answered, especially if your pet is showing signs of illness. In many cases, time is of the essence.
