

Carefully Consider Kittens as Gifts

A feline behavior expert urges thorough planning and follow-through when giving a kitten as a gift.

Pam Johnson-Bennett

So if you are planning on giving a precious kitten to someone this holiday, please plan it out so it works best for the kitten and the new family. Doing it correctly can mean the difference between the start of a wonderful long-term relationship or a one-way trip to the local shelter. Best, Pam Johnson-Bennett, CABC IAABC-Certified Animal Behavior Consultant
