

## Cat Lovers' Yellow Pages

**Cat reference and resource information to help you be a better owner.**

We know that you'll do anything when it comes to taking care of your cat and we want to help. Use the Cat Lovers' Yellow Pages to find cat services, cat words and phrases, and helpful lists that will keep your cat safe and happy.

**Kitty Directory** If you need information, you'll find it here.

**Keep Away!** The following is a list of some plants, trees, flowers and foods that are toxic to cats.

**Now You're Talkin Cat** Even the pros debate such words as pedigree, hybrid and echo, but the following basic cat lingo defines coat patterns, breeder terminology and anatomy to help you better understand the fancy.
