

CAT FANCY Editor's Choice

Get more information on the CAT FANCY editors' favorite products of 2006.

Cats on Canvas

Hand-illustrated descriptive style art pieces emphasize details from your cat's eyes to its fur, without the need for sittings or artist commissions. These modern pieces let you decorate with subject matter you love: your cat. Your photos become art with your choice of stretched canvas panels. \$641. Décor On Walls, www.decoronwalls.com

Just Add Water

Liquid Oral Care treatment helps clean teeth and freshen breath. Simply add it to your pet's drinking water to treat plaque and gum disease. The virtually tasteless and colorless formula makes oral care and fighting gum disease everyday easy. \$7.99. Petkin Inc., www.petkin.com

Rich and Wholesome

Containing raw fruits and vegetables, protein and L-carnitine, Natural ULTRAMIX Indoor Cat Formula provides fiber and reduces hairballs. No by-products and no fillers make this a great fit with the holistic pet owner. This complete and balanced cat food has your cat's wellness in mind. \$9.49. Castor & Pollux Pet Works, www.castorpolluxpet.com

Water Gardens

With hydroponics technology, The Aqua Garden attaches to the Drinkwell Pet Fountain to grow 100 percent organic wheat grass, helping your pet's digestion. This convenient product was made for the well-being of your pet. There is no soil and no additives, simply put the seeds in the circulating water. \$8.99. Veterinary Ventures, Inc., www.petfountain.com

Lip-Smacking Fun

Treating your cat has never been so fun. Launch Snacks Shotz for Cats through the air to indulge your cats while playing with them. The flying treats come in Beef, Chicken and MightyMint flavors. Discs fly up to 10 feet, making a bonding with your pet more fun than ever. \$14.99. Dogmatic Products, Inc., www.dogmaticproducts.com

Light Beam Fun

The Lazy Mouse Laser brings a new twist to the laser pen toy. Your cat is sure to love chasing the laser projected mouse that can be projected up to 20 feet. Your pet can get exercise with the ease of pushing a button. \$9.99. CMI, Inc., www.cmipets.com

Function in Design

Scoop 'n Close combines a measuring cup and a bag clip. Now you can keep your pet's food fresh and have the cup within reach. The plastic cup measures in half-cup and quarter-cup and can even work well for cat litter. \$3.49. Animal Magnetism, <http://scoopnclose.com>
