The Products...

Tasty Plate

The Cat Hair Oval Platter is a great gift for humorous cat lovers. This ceramic plate is lead free, and dishwasher and microwave safe. Each piece is designed by company owner Lorrie Veasey who started the company at street fairs in New York City. \$22. Our Name is Mud, www.ournameismud.com

Complete Odor Defense

Petrotech Odor Eliminator's line of cat cleaning and odor removal products takes care of every cat owner's needs. These all-natural products work on removing pet odors and stains safely, with no toxic chemicals or perfumes. No part of the products is damaging to the ozone layer and all materials are recyclable, non-flammable and non-carcinogenic. \$9.99. Petrotech Odor Eliminator, www.sea-yu.com

Bells and Springs

This Loopies toy entertains cats with its flopping springs and bells. The ends can even be filled with catnip that is 100 percent organic and grown in the USA. This toy is fun for your pet with its motion and stretchy springs. Not only will your cat enjoy this symmetrical design but you will too. \$9.99. SWAG Co. Inc., www.loopiestoys.com

Tantalizing Treats

Made with more than 95 percent organic ingredients, ORGANIX Organic Canned food combines wholesome nutrition with flavors cats love. The high meat content also makes it highly palatable and highly digestible. There are also no pesticides, growth hormones, antibiotics, synthetic fertilizers or by-products. \$1.39. Castor & Pollux Pet Works, www.castorpolluxpet.com

Naturally Shaped Sleep

This ultra soft, reversible bed, forms to kitty's natural sleeping position in a cocoon-like way. The polyester fiber material comes in 20 colors to match your style and its thick padded center provides extra comfort. The bed even comes with a matching toy ball. \$150. The Puppy Hugger, www.thepuppyhugger.com
