

Small Wild Cat Crusader

Dr. Jim Sanderson devotes his life to the conservation of rare and endangered small wild cats.

By Brad Kollus

Many people study big cats, but not many study the small ones. That's where Jim Sanderson, Ph.D., comes in. He is the founder and executive director of the Small Cat Conservation Alliance (SCCA), which he began in 1998 when he discovered that the conservation needs of many small cats were largely unknown.
