

Wildly Charming

American Bobtail cats effectively sport a wild look and tender affection with fully domestic genes.

By Sandy Meyer

If you're looking for a smart, strong, dependable companion, look no further. With its keen mind and interactive personality, the American Bobtail cat might be the breed for you.

A natural breed described as sturdy and moderate in everything except devotion and love, the American Bobtail cat easily finds a place in almost any home. Don't let the wild look and abbreviated tails fool you.
