

Case of the Missing Cat

See if you can solve the mystery, and find your cat!

By Laura Lee Bloor

"No, you didn't!" you shout to your brother.

"Yes, I did!" He yells back.

"Then bring him to me!" you yell.

Minutes tick by and you continue to search. Your brother is probably just trying to play another prank on you, knowing him.

"So if you found the cat, then where is he?" you yell to your brother.

"Why don't you come see?" he says.

"No way!" you yell. "I'm not that stupid."

"Hey you two, stop yelling across the house," your mom says. "Billy, you didn't find Fritz, so stop teasing your brother and help him look."

"What? I was looking for Fritz," your brother says. What a faker.

After about an hour, everyone meets back in the kitchen. Fritz is definitely not in the house.

Now you start to worry.
