

## CAT FANCY Editors' Note

### **Feline Design**

Posted: September 24, 2008 3 a.m. EDT

Welcome to CAT FANCY's first-ever style issue! Felines and fashion go back a long way. Ancient Egyptian men and women, including the Pharaohs, were so impressed by feline beauty that they wore facial makeup to make themselves look like cats.

Artists around the world have been inspired by cats for millennia as ancient drawings and sculptures of felines continue to be discovered. Contemporary artists continue to come up with fresh ways to adorn our world and popular culture with cats.
