

The Lost Litterbox

Professional tips to help kitty find its way back to the box.

By Wynne Crombie

First, it appeared as a slight marking on a bedspread. Then, a definite you-know-what. Somehow, our 7-year-old tabby, Max, lost his way to the litterbox. The question was, why?

Just as some cats are picky eaters, cats also can become finicky about the other end of their digestive process.
