

Natural Skin Care

By Helen Jablonski

Skin disorders can affect cats of any age or breed. From itchy, crusty skin to dandruff to pus-filled skin infections called pyoderma, your cat's skin disorders can be treated holistically.

Holistic pet care takes everything possible into consideration that might benefit a patient, says Donn W. Griffith, a holistic veterinarian who operates Ohio Holistic Veterinary Service in Columbus, Ohio. From aromatherapy and flower essences to energy work and chiropractic, holistic veterinarians use conventional and alternative therapies to find the safest and best treatment for your cat.
