Vets Harvest Black-footed Cat's Eggs at Zoo

In an in vitro procedure that's been around for only two years, zoo veterinarians removed eggs from a female black-footed cat's ovaries Wednesday in a procedure aimed to help protect the species, The San Antonio Express-News reports. [Read the article](#)

Feline Shooting Rattles Cat Owners

One company's adoptive housecat was shot during the weekend and another has been missing since mid-September, which has their owners wondering who is responsible, The Palo Alto (California) Daily News reports. [Read the article](#)

Cat Owner Charged with Animal Cruelty

A woman was charged with animal cruelty Wednesday, four months after more than 60 dead cats were found in her home, The Hartford (Connecticut) Courant reports. [Read the article](#)
