More than 29.1 million pet owners bring their furry friends with them on vacation, according to the Automobile Association of America (AAA). To make traveling with pets easy and fun, AAA publishes *Traveling With Your Pet: The AAA PetBook*, featuring advice on where to stay, where to play and how to travel safely.

As AAA prepares to publish the 11th edition of the book, the organization invites pet owners to submit photos of their pets on the road. Two winners will be featured on the cover and spine of the next edition, with the first-place winner also claiming a \$350 AAA Visa gift card and five complimentary copies of the book. The second place winner will receive a \$200 gift card and two complimentary copies of the book.

Entries will be accepted until November 30, 2008. Photos will be judged for artistic qualities, such as photographic composition, and the ability to convey the joy of safely traveling with a pet. Candid photos are preferred over posed shots, and studio photographs will be disqualified.
