Twitter's Latest Star: a Microblogging Cat

He's one of the most popular users on Twitter. More than 500,000 follow his growing celebrity, his every adventure and, well, his cat naps. Meet Sockington. Twitter's latest star is a microblogging cat who regales more than half a million with his musings on meal time, personal hygiene and the view from the top of the stairs, the Associated Press reports.
