### Tigers Are 'Brainier' Than Lions

Researchers have discovered that the tiger has a far bigger brain than its big cat rival, the lion, even though it is often seen as lower down the food chain, reports the Telegraph.co.uk.

### Police Arrest Suspect in Cat-Killing

A teen accused of killing a family cat by stuffing it into a washing machine was arrested Wednesday night, saying he did it because the pet "was bothering" him, police said, reports the Detroit News.
