Reasons Abound to Adopt Pet From Shelter

The majority of people with pets, 61 percent, did not get any of their pets from animal shelters. You might wonder how we would know that. Last year, Maddie's Fund and the SPCA of Northern Nevada released a survey conducted by the University of Nevada, Reno, the Reno Gazette Journal reports.

California City Loosens Pet Restrictions, but Only on Large Lots

The Escondido (Calif.) City Council agreed to allow homeowners with large lots to own more pets, but council members decided against making similar changes in densely populated neighborhoods because of concerns about unruly pets, the North County Times reports.
