FoxyFoxy, a Siamese kitten from Michigan, is the winner of CatChannel's Show Us Your Cat's Smile photo contest. Her wide-eyed grin won judges over, and she will receive a Kit-E-Quiz cat toy. More than 380 proud cat parents sent in photos of their smiling kitties.

Brooke Miller, Foxy's mom, says "Foxy is a very hyper and lovable kitten. You can hear her purr across the room like a motor boat! This picture totally fits her crazy personality."

Check out the other great cat smiles that won us over, and thanks to everyone who sent in photos! [Click here to see all entries.](#)
