### Cat Found After Two Years Missing

It's often said cats have nine lives and one Omaha cat may have used up his share. But one thing is for sure, if this cat could talk, he'd have quite the story to tell, reports KPTM.com.

### Dog Adoptions Saving Cats' Lives

Hundreds of cats owe their lives to dogs in Salt Lake County, where an innovative adoption program is giving those furballs a better chance than ever at finding homes, reports the Salt Lake Tribune.
