

ASPCA Rescue Team Works Around the Clock

Funds have been issued to help with search and rescue process.

The ASPCA® provides national leadership in humane education; government affairs and public policy, shelter support, and animal poison control. The NYC headquarters houses a full-service animal hospital, animal behavior center, and adoption facility. The Humane Law Enforcement department enforces New York's animal cruelty laws and is featured on the reality television series Animal Precinct on Animal Planet. Visit the ASPCA for more information.

Editors Note ASPCA field workers report that all of the animals stranded at the Mercy Hospital (Lindy Boggs Hospital) are now rescued. A total of 46 dogs and 13 cats were transported by Dr. Randy Doran and his staff (from the Aledo Veterinary Hospital) to Aledo, TX. All of which were placed in loving, foster homes.
