

Garfield Returns in Garfields A Tail of Two Kitties

New film hits theaters June 16th.

Laura Lee Bloor

Americas favorite fat cat is back! When Garfield follows his owner, Jon, to England, Garfield discovers he has a regal twin who has inherited a castle. When mistaken for the British cat, Garfield capitalizes on the royal treatment. But enjoying the lap of luxury comes with a price; the sinister Lord Dargis has plans for the castle. He wants to turn it into a resort and doing so means eliminating Garfield at any cost.

Accompanying Garfield in his return is the core all-star cast of Breckin Meyer, as Jon Arbuckle, Jennifer Love Hewitt as Liz Wilson, DVM, and Bill Murray as the voice of Garfield. New to the sequel are Billy Connolly as Lord Dargis, Lucy Davis as Abby Westminster, Ian Abercrombie as Smithee and Greg Ellis as Claudius. Another new addition is Director Tim Hill who replaces Peter Hewitts position from Garfield The Movie.
