

Evangers Pet Food Announces Second Annual Calendar Photo Contest

High-Resolution photos of dogs and/or cats should be emailed by July 31.

You feed them the best food the market offers. You pamper them with the best toys. And you love them as much as a parent loves their children. Now, it's your chance to show the world how beautiful your cat or dog really is by entering your favorite pet or pets into Evangers Dog & Cat Food second annual calendar photo contest. There is no entry fee, and any person with a picture of a dog or a cat is eligible, as long as you include: your name, the name of the person that took the picture, the name of the pet, a contact address and phone number. Prizes include two cases of dog and/or cat food of the winners' choice. Up to 12 pets will be selected. Email your high resolution image of your cat and/or dog by July 31st to penny@evangersdogfood.com for consideration, or visit www.evangersdogfood.com for complete details.
