

Cats 24/7

This installment in the America 24/7 series takes a look at our favorite feline friends.

Take engaging pictures of cats being cats, include enthralling stories of these beloved pets and bind. The result? Cats 24/7: Extraordinary Photographs of Wonderful Cats, a collection of more than 500 full-color photos taken by professional and amateur photographers, compiled by Rick Smolan and David Elliot Cohen. This installment in the best-selling America 24/7 series pays tribute to everything we love about cats.

The photos feature cats from all walks of life: small-town cats, big-city cats, farm cats, working cats. Readers get a glimpse of the cats small worlds in kitchens, bedrooms and living rooms. Kittens romp with children, cats snooze in the sunny spot by the window, tabbies glance over their shoulders as if to say, What do you want now? Purebred cats and mixed-breeds show the qualities that make their owners love them. Readers can even include their own pets in the book, adding a photograph to the book jacket.

The hardbound book is published by Chronicle Books LLC and has 192 pages. Posted: June 6, 2006, 5:00 a.m. EST
