

## Is Your Cat Picture Perfect?

**In honor of Adopt-A-Shelter-Cat Month, the ASPCA is looking for your best photos of your pet cat.**

The American Society for the Prevention of Cruelty to Animals (ASPCA) invites you to get out your camera and snap some photos of your cat doing the things that make you love her the most: playing, napping, eating, snuggling and simply being a cat! Submit your best photo to the ASPCA's photo contest for a chance to win an assortment of ASPCA products. Ten winners will receive an ASPCA cat T-shirt, an Adopt-A-Shelter-Cat Month poster and an ASPCA wristband. The top three contest winners will also have their photos published in the ASPCA Action, the organization's quarterly newsletter.

Don't delay get out your camera today. You can submit up to five photos, and the deadline for submissions is July 7, 2006. Entrants must be at least 18 years old and legal residents of the United States.
