Study Tracks How Feral Cats Spread Parasite

The Illinois Natural History Survey and University of Illinois researchers are embarking on a study of free-ranging cats, The Associated Press reports. [Read the article](#)

Life Now is Purr Pleasure for Rescued Katrina Cats

Rescuers brought a group of 10 cats to a shelter in east San Diego County more than a year ago, and that's where, in all likelihood, they'll spend the rest of their lives, The San Diego Union-Tribune reports. [Read the article](#)

Boy Scouts Build and Donate Feral Cat Shelters

A cat rescue organization recently got a pleasant surprise in the form of five wild cat shelters built and donated by two members of a Boy Scout troop, The (Delaware) Cape Gazette reports. [Read the article](#)

Animal Lovers Win Extra Life for 400 Cats

China's animal rights movement claimed a rare victory today rescuing more than 400 cats that were about to be slaughtered for their fur and meat, The (United Kingdom) Guardian Unlimited reports. [Read the article](#)
