Denver area cat owners, keep an eye out for the Meow Mobile, a traveling spay and neuter clinic. Since September 2005, this special, subsidized spay and neuter service has been provided by the Animal Assistance Foundation, the Denver Area Veterinary Medical Society and the Denver Dumb Friends League.

Working with community centers, retailers and others, the Meow Mobile travels throughout the metro Denver area, providing spay and neuter surgery for \$10. All cats and kittens older than 8 weeks old are eligible for this service. Up to 15 cats and kittens can be accommodated each day. Licensed veterinarians from the Denver Area Veterinary Medical Society perform the surgeries with trained veterinary technicians on hand to help.

To find out when the Meow Mobile will be in your area, call the Denver Dumb Friends League at (303) 751-5772, ext. 7298. For more information about the Meow Mobile, or to find out how you can have the mobile clinic come to your area, check out its pamphlet.
