Do you have a favorite photo of your cat curled up, napping in the sun? Enter it in the National Sleep Foundation’s My Pet Loves Sleep Contest, then invite your family and friends to vote for your photo at the Sleep Foundation website.

Each week from July 9 to September 30, visitors to the website will be able to vote for the cutest sleeping pet. The winning photos from each week will be featured on the website in a Sleeping Pet Winner’s Gallery.

Pet owners can submit color digital photos of their sleeping animals through the NSF website. Photos should have a maximum resolution of 72 dpi and be no larger than 150K in size. Entries must include your pet’s name, your name and e-mail address.

All photo entries received during a specific week will be displayed in a special gallery. Visitors to the site can cast one vote for their favorite photo. For more information or to enter a photograph, [click here](#).
